Maroondah City Council Council Plan 2021 - 2025 Priority Actions Progress Report

Quarter 2, 2024/25 (as at 31 December 2024)

The Council Plan 2021-2025 is Maroondah City Council's key medium-term strategic document that sets key directions and priority actions to work towards the long-term community vision outlined in the refreshed Maroondah 2040: Our future together community vision.

The Council Plan plays a vital role in shaping Maroondah's future over a four-year period. It identifies both challenges and opportunities for our community at local and regional level within the context of the community's long-term Maroondah 2040 vision. It also forms the basis for Council to make decisions regarding resources and priorities in response to community needs and aspirations.

Each year, Council presents to the community an updated set of key directions and priority actions for implementing the four-year Council Plan. This helps to ensure that the Plan continues to be aligned with Maroondah 2040: Our future together, the community's long-term vision, and is responsive to community needs and expectations.

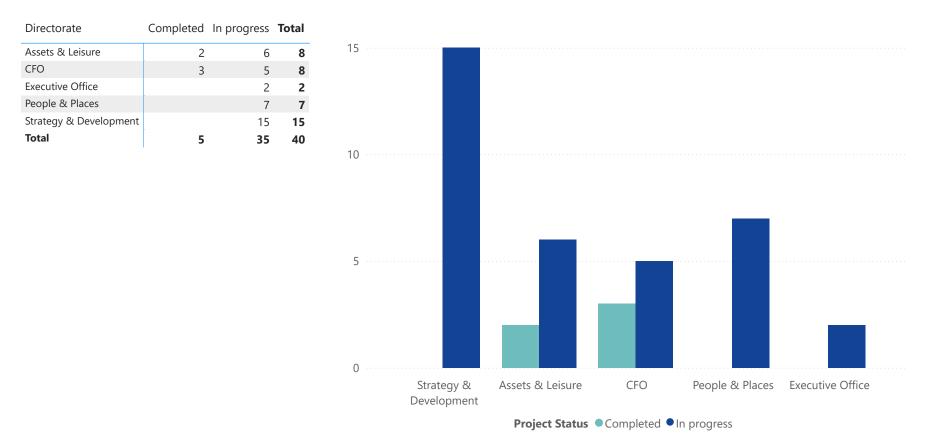

The Council Plan is implemented through a service delivery planning process, and outcomes are measured and reported regularly.
